

18 CM

A technical drawing of a lens. It consists of a large outer ellipse and a smaller inner ellipse. The inner ellipse is positioned to the left of the outer one, with its right edge touching the left edge of the outer ellipse. The vertical dimension of the outer ellipse is indicated by a dimension line on the left, labeled '18 CM'. The horizontal dimension of the inner ellipse is indicated by a dimension line at the bottom, labeled '4 CM'.
